I want to go to a girls' school...
And live a high class and pure Ojou-sama style life ♡
That is what I, Satsuki Aoi, believe in
So I entered a Christian school for Ojou-sama

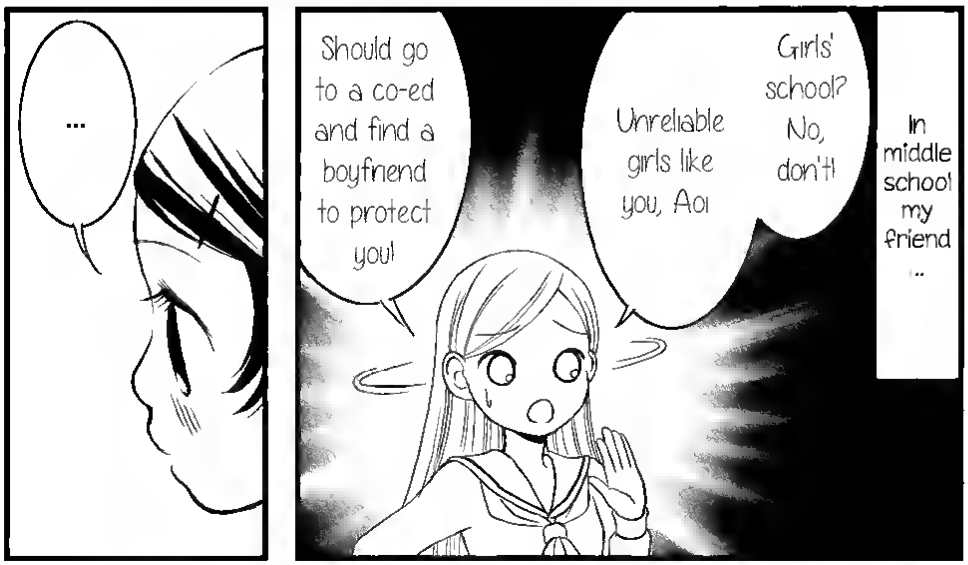
First attendance

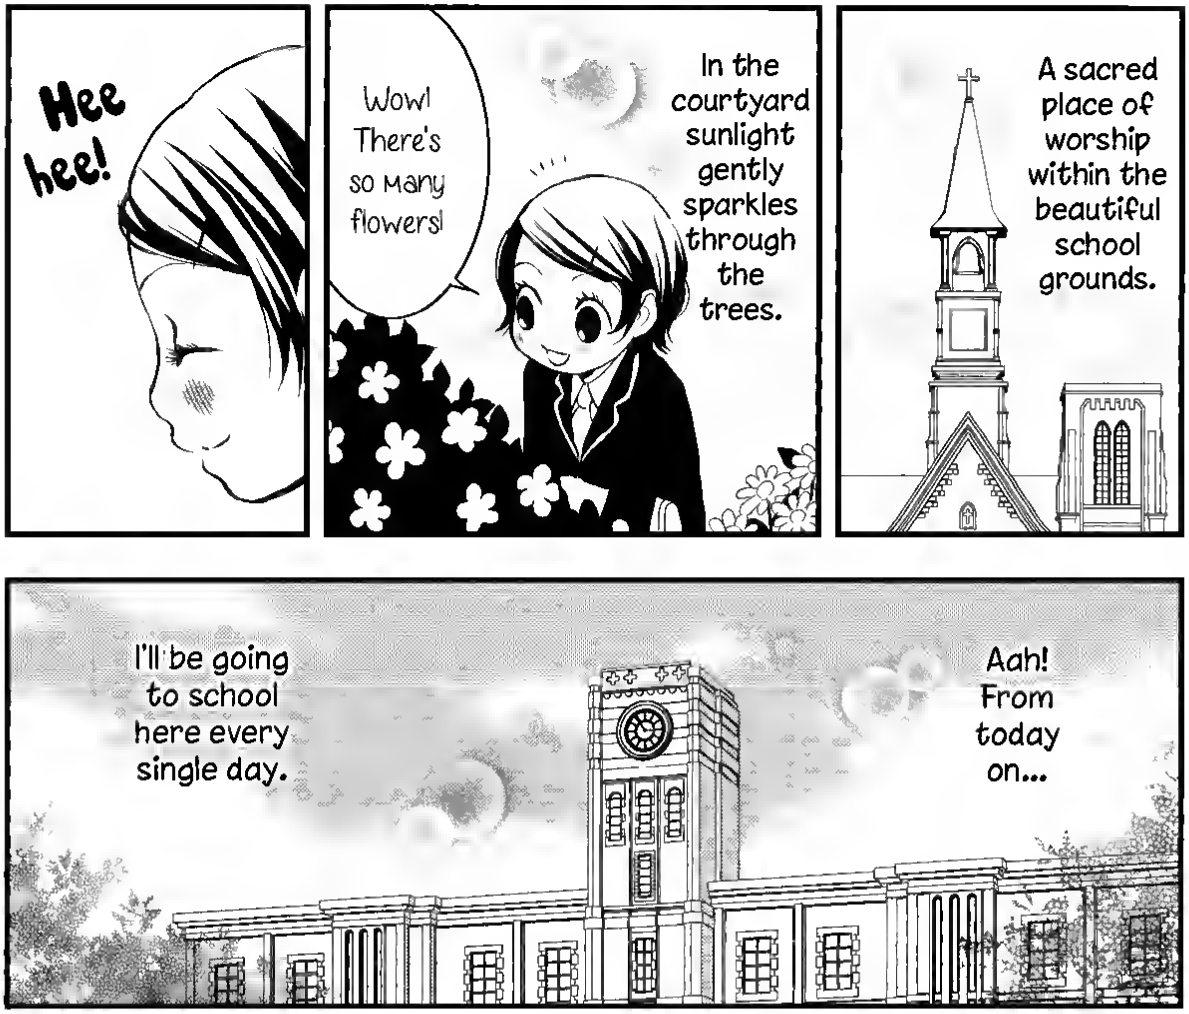
It's a famous combined middle and high school for girls that upholds virtuous values.
Finally my first attendance!
It's been two weeks since the entrance ceremony
Why does this always happen to me.
sigh
ALL THIS TIME I WAS BED-RIDDEN.
I GOT THE MUMPS.
step step
Why only now, you ask?

But I have no interest in love.



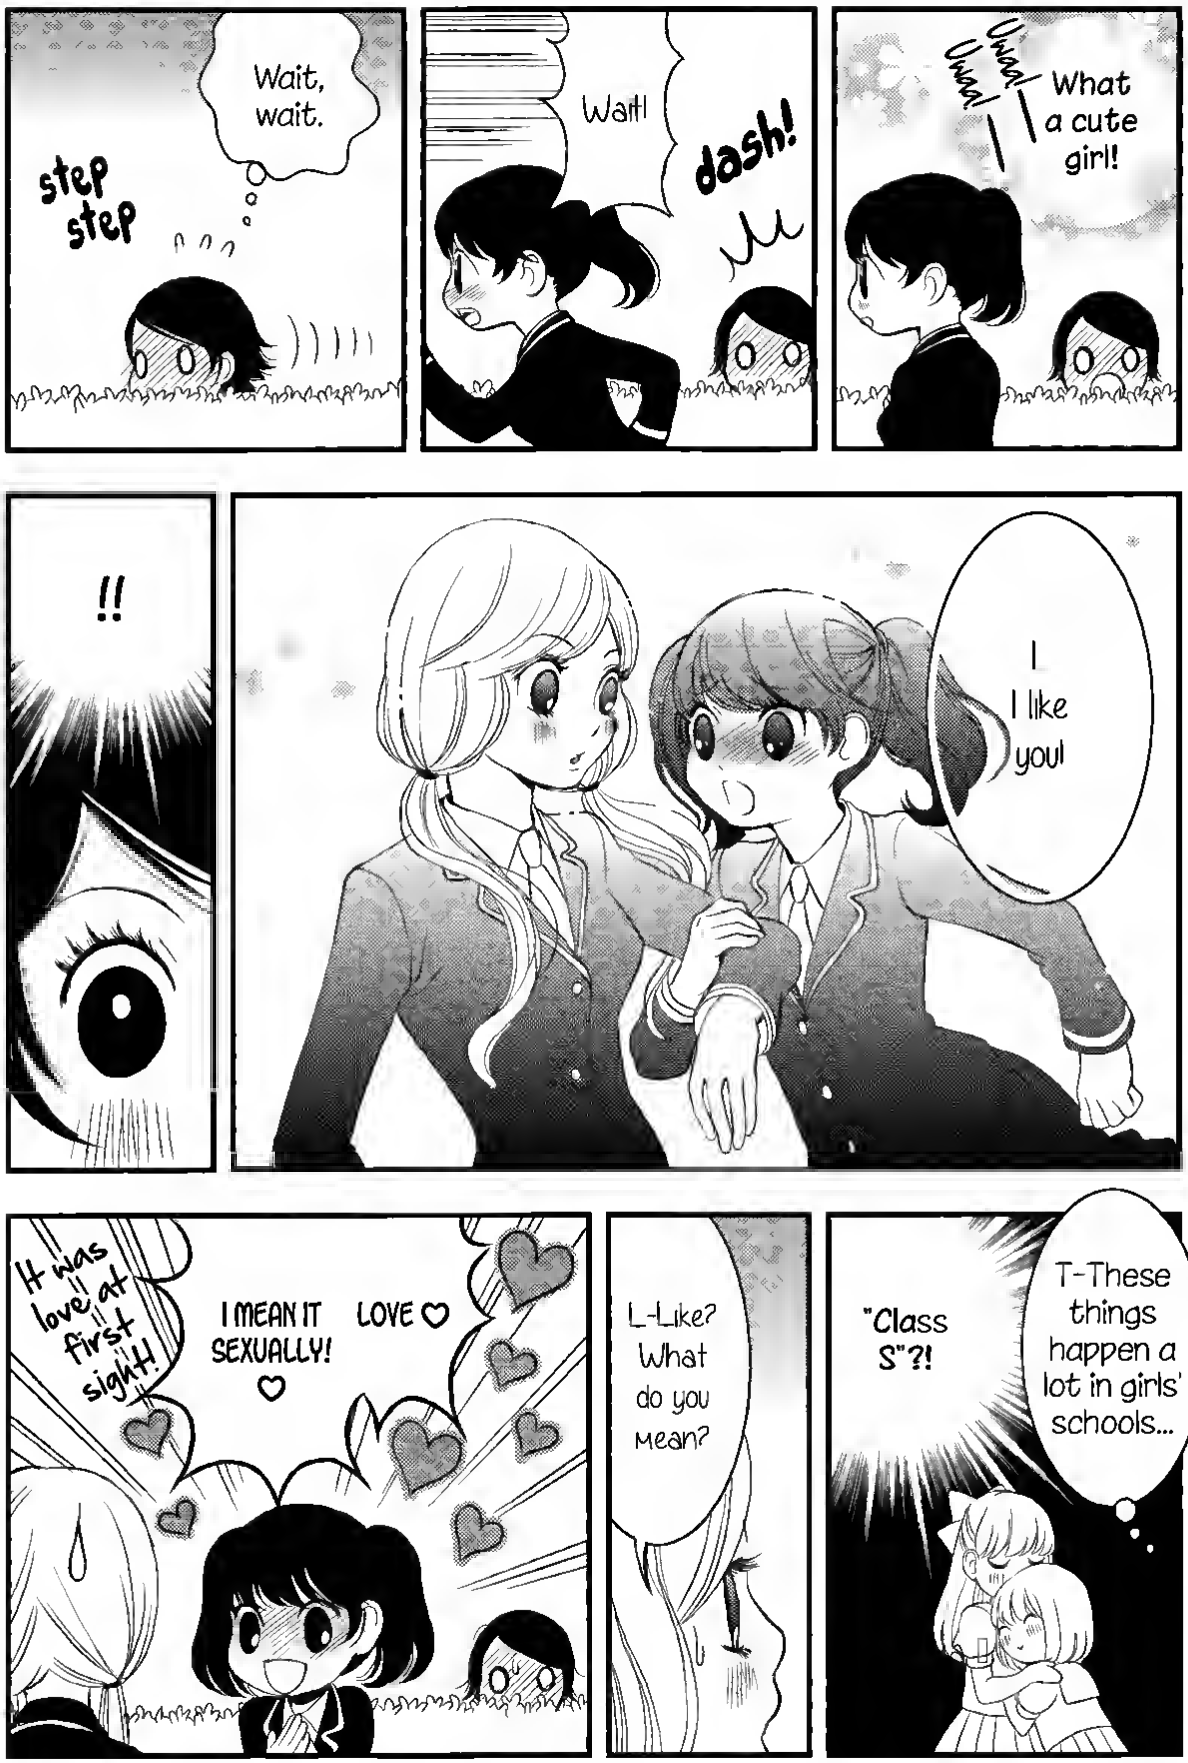
...
Should go to a co-ed and find a boyfriend to protect you!
Unreliable girls like you, Aoi
Girls' school? No, don't!
In middle school my friend ...

To always be here



Hee hee!
Wow! There's so many flowers!
In the courtyard sunlight gently sparkles through the trees.
A sacred place of worship within the beautiful school grounds.
I'll be going to school here every single day.
Aah! From today on...
Uwaah!
rustle
Huh?

Girl and girl

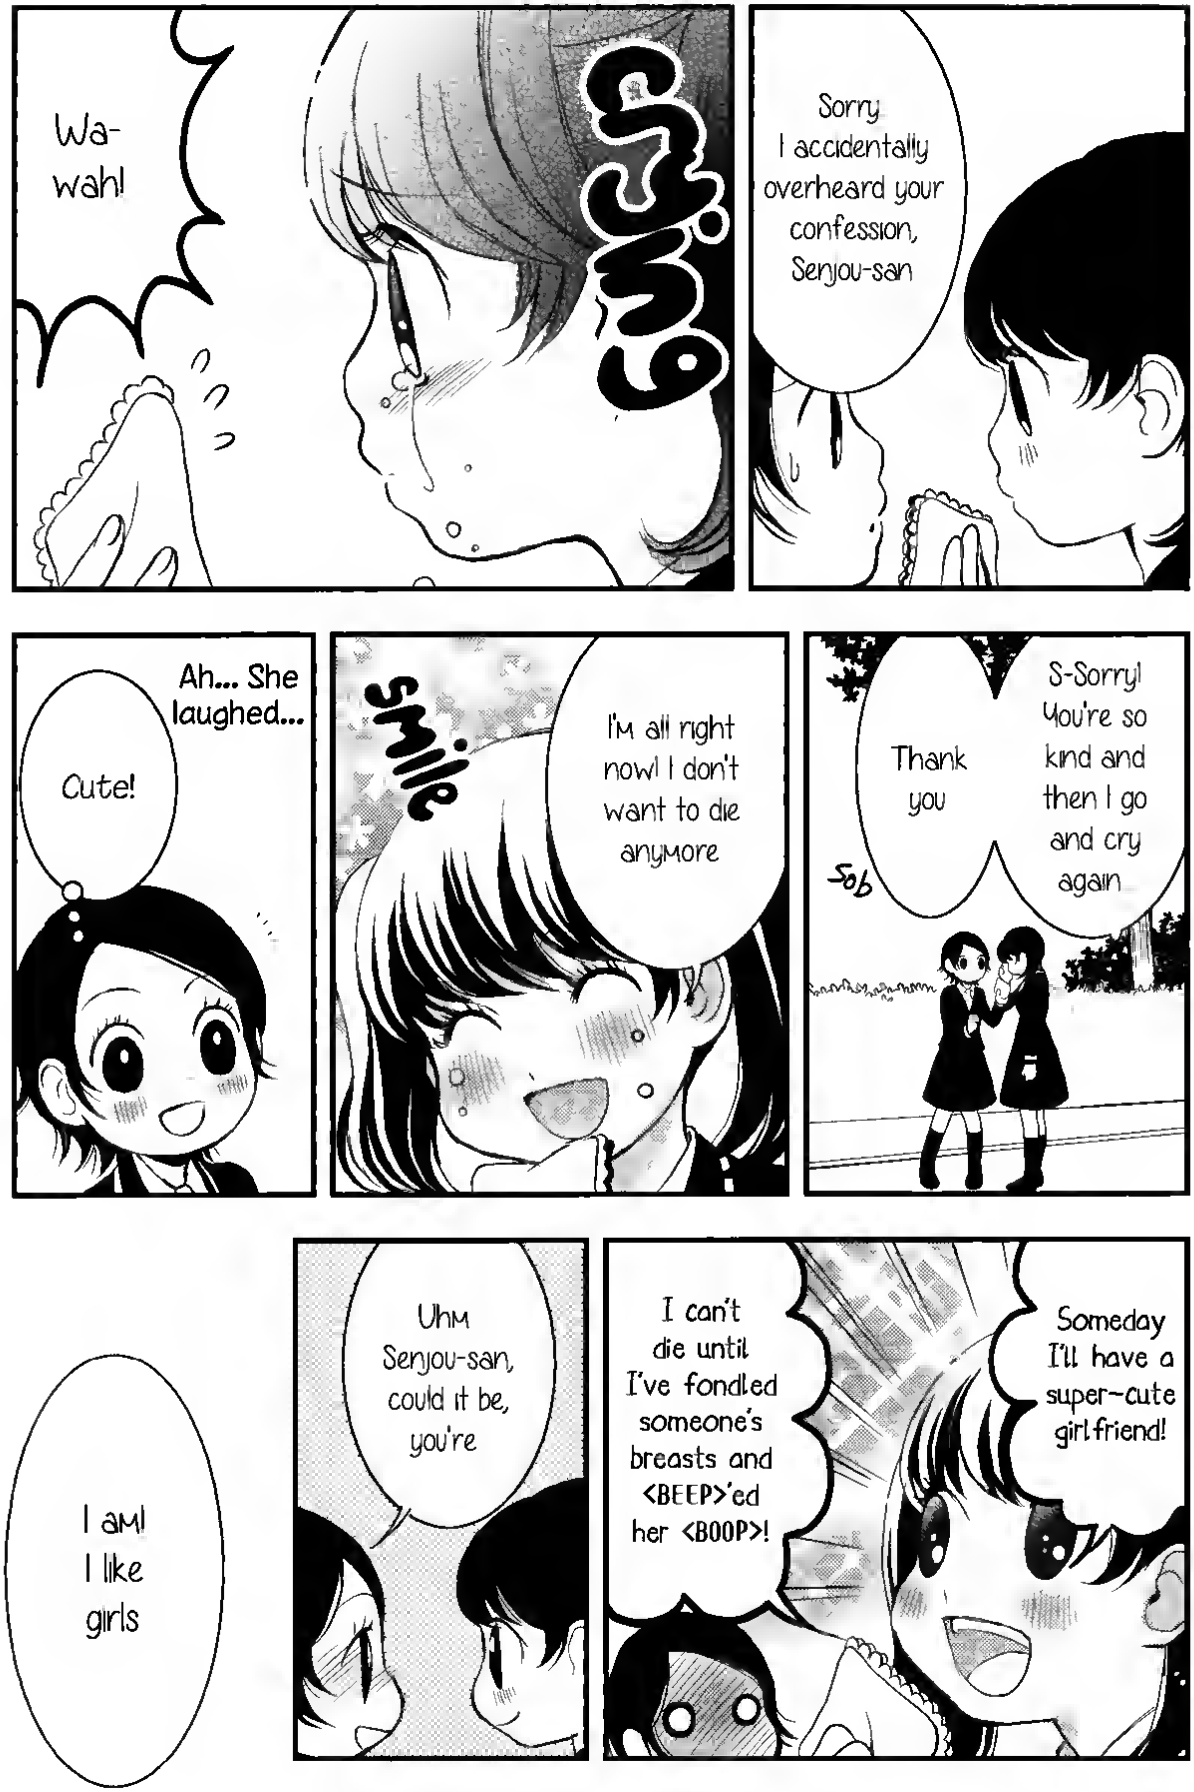


Immediately a broken heart

Mysterious classmate

AH!
The same class?
I'm Senjou Riri Sumire class, year 1 Hey!
I am Satsuki Aoi from the sumire class, year 1
Nice to meet you
I just had the mumps and had to rest!
Eeeh?!
The hikikomori NEET Satsuki Aoi-san!
You were the one who even skipped the entrance ceremony!
You still had some tears
rub
rub
So that's what it was. Thank goodness
...
phew
If you mean my round face, it was always like that
Ah. you're right... It's still slightly swollen.

Some day, surely...



Wa-
wah!
Sniff
Sorry
I accidentally overheard your confession, Senjou-san
Ah... She laughed...
Cute!
Smile
I'm all right now! I don't want to die anymore
Thank you
S-Sorry! You're so kind and then I go and cry again
Sob
Uhm Senjou-san, could it be, you're
I am! I like girls
I can't die until I've fondled someone's breasts and <BEEP>'ed her <BOOP>!
Someday I'll have a super-cute girlfriend!

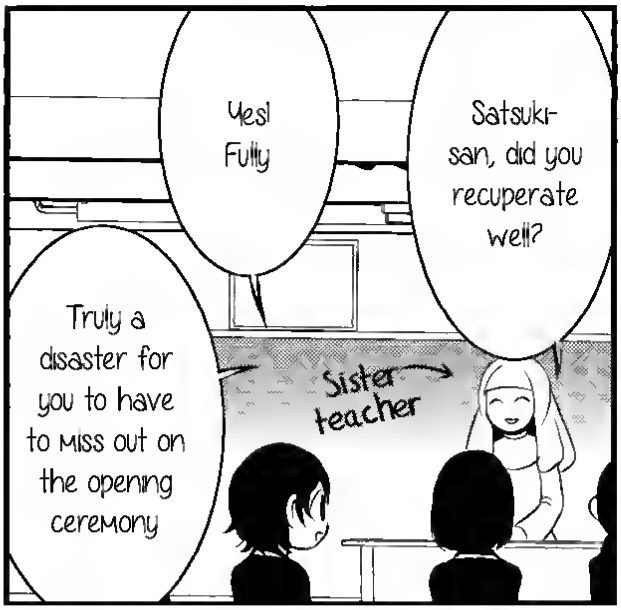
I like girls...?

Eh
Girls are so cute you just can't control yourself! I love them!
Well, give it some consider-ation
That's not something I've thought of before
So do you love girls sek romantically?
Uhm...
What type of girl do you like, Senjou-san?
IF YOU'D LIKE, GO OUT WITH ME ♪
C-Consider it, she said... Does she mean...
That's kind of a relief...
My feel-ings are compli-cated...
I like girls who are cuter than me and have bigger boobs than me ♡
Candid

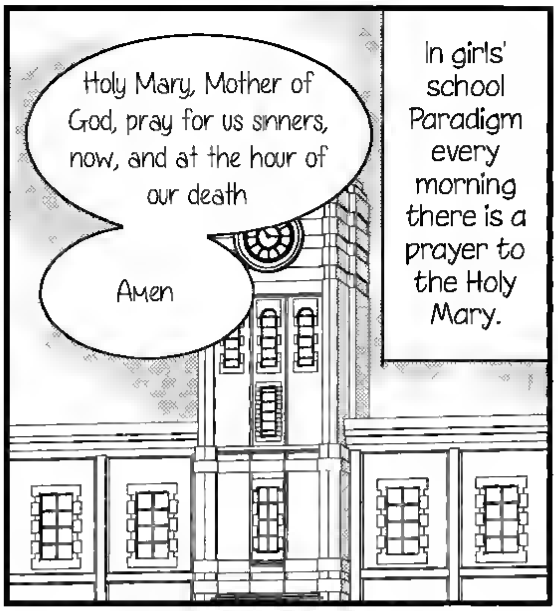
What's up with that?

I want a boyfriend with a pretty face who's taller than me!
Eh? But I hear those things all the time in talks about boys
I... I guess so...
Ah... Uhm...
I'm not sure if it's entirely appropriate to judge girls by their face and boob size
Well then, Satsuki, what type of boy do you like?
What's with that response!
Rr-ght...
Therefore I want a girlfriend who's prettier than me with boobs bigger than mine ♡
If you don't want love, what do you want?
I've never felt like I've wanted to fall in love
Actually, I...

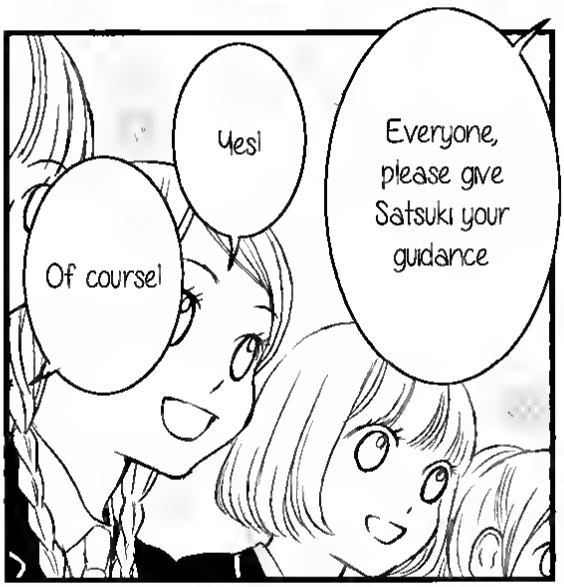
Morning for the Ojou-sama

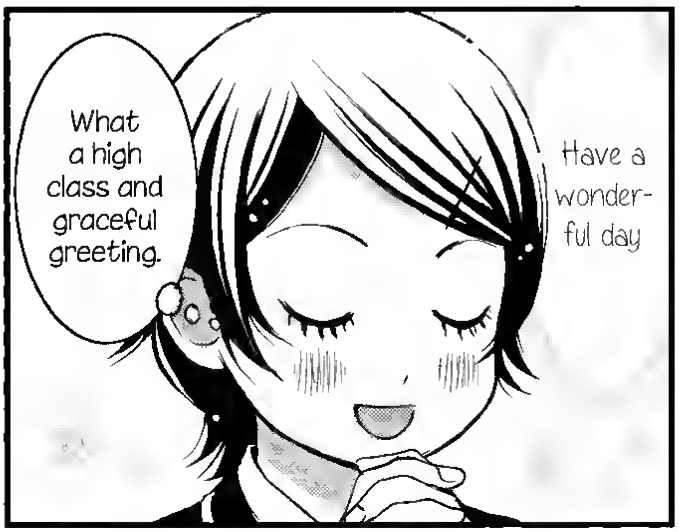


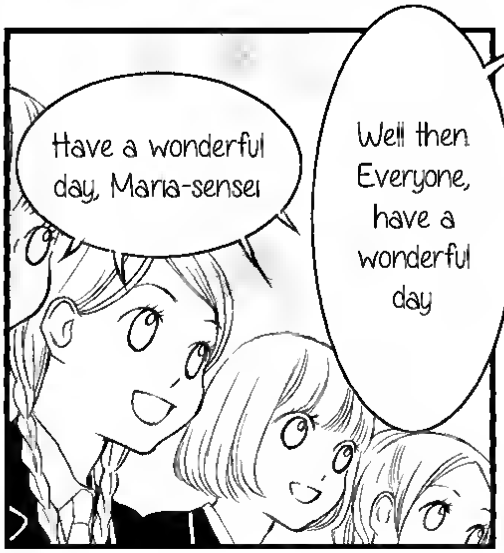
Satsuki-san, did you recuperate well?
Yes! Fully
Truly a disaster for you to have to miss out on the opening ceremony
Sister teacher



In girls' school Paradigm every morning there is a prayer to the Holy Mary.
Holy Mary, Mother of God, pray for us sinners, now, and at the hour of our death
Amen



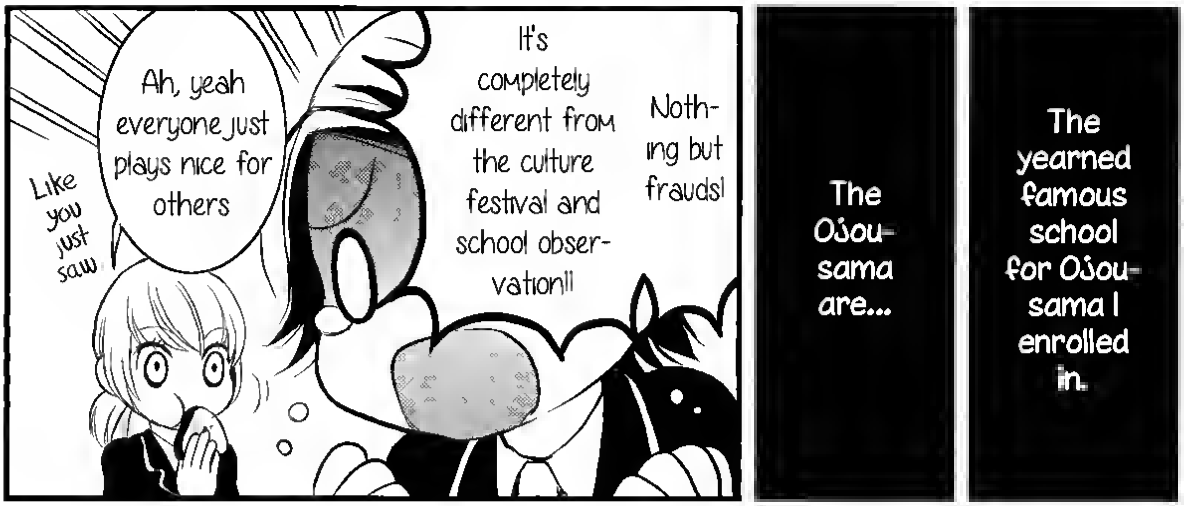




This is the kind of school life I have always wanted.
This is it, this here!
From today on, let's get along well
Yes!
The class is complete now
I'm happy!
rattle
Now I too have to master the art of becoming a high class Oujou-sama.
...
The first period is Maths
Here, these are the print-outs from when you were away
Thank you very much
rustle
Friggin' Math in the first period!
Oh! I got an e-mail from my boyfriend ♡
He's staying at your place?
That's nice.
A prerelease Chump! Let me read it too!
NO WAY! I'M BUSY READING IT!
Damn! Lost again!
Maybe I'll skip saying I'm menstruating
Tch!

Have a wonderful day!

Behind the mask of the Ojou-sama



Like you just saw
Ah, yeah everyone just plays nice for others
It's completely different from the culture festival and school observation!!
Nothing but frauds!
The Ojou-sama are...
The yearned famous school for Ojou-sama I enrolled in.

EVERYONE IS STRAIGHT! WHAT A BUNCH OF FRAUDS!
I THOUGHT I'D BE ABLE TO GET A GIRLFRIEND COMING TO A GIRLS' SCHOOL, BUT...
That's not exactly fraud

Showing panties in a normal way

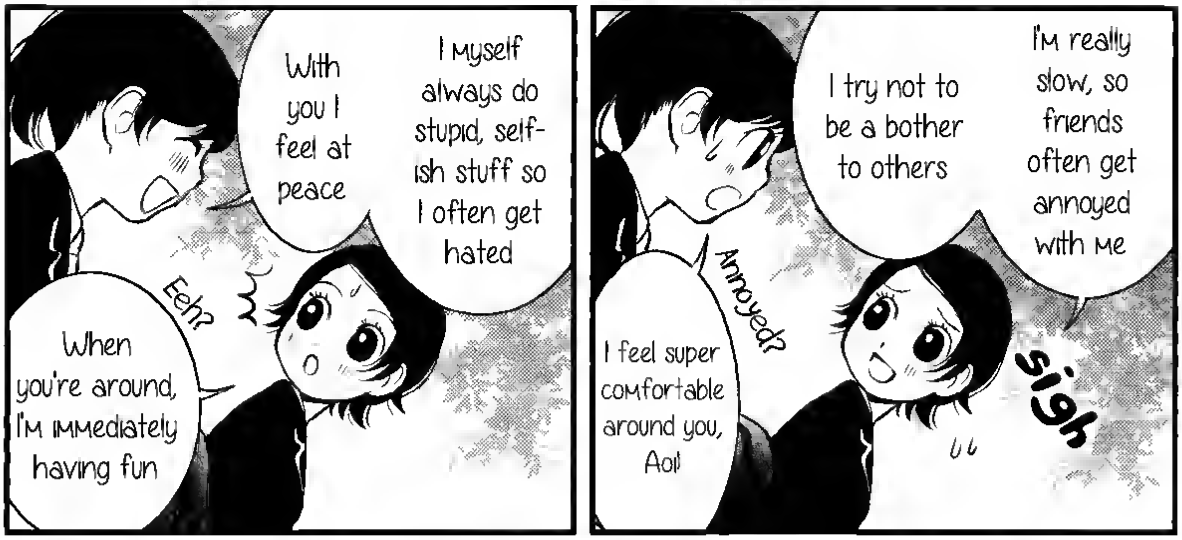
Ta-daaaaa♪
Despair even...?
You seemed to be in really high spirits though
When in despair, dancing helps best!
That feel refresh-ing!
Phoo
Let's do the pami-pami one next time.
chatter
For your first time that was great!
So difficult!
Phoo...
chatter chatter
Yeah, let's!

A little unexpected

I'm going to the sun-room
Ah crap, I didn't do my English homework
Activity has made me hungry for another bread!
Let's hit the cafe-teria
Yes!
We're all good people, right?
Pure-hearted Ojou-sama or not
Bye!
Yeah, just let me know
Really?
I've studied the bible a lot too
If you need help with prayers I'll help you
You know, I'm Catholic
Everyone goes at their own pace
In a girls' school, girls are surprisingly non-clingy
I see
It's always like that
That ended quickly
step step

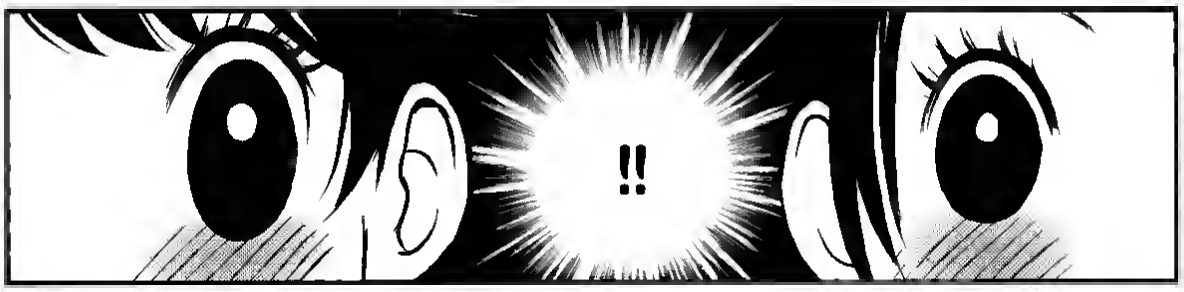
Friends

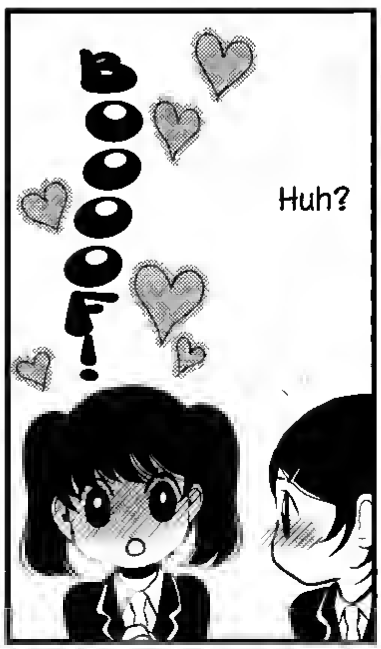


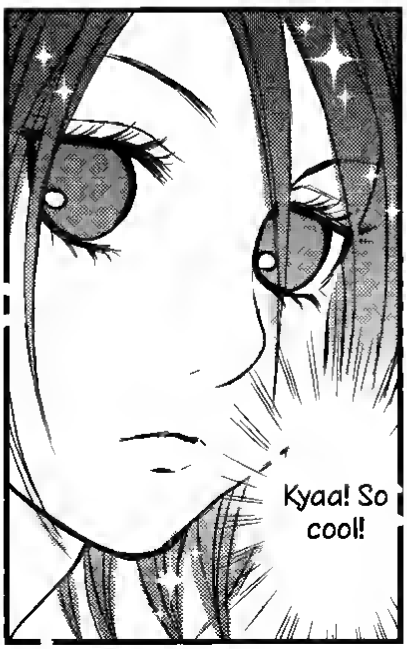
I myself always do stupid, self-ish stuff so I often get hated
With you I feel at peace
Eeh?
When you're around, I'm immediately having fun
I'm really slow, so friends often get annoyed with me
I try not to be a bother to others
sigh
Annoyed?
I feel super comfortable around you, Aoi

Ehehehe~
Oh my, what might you be doing here?
Don't we make good friends!

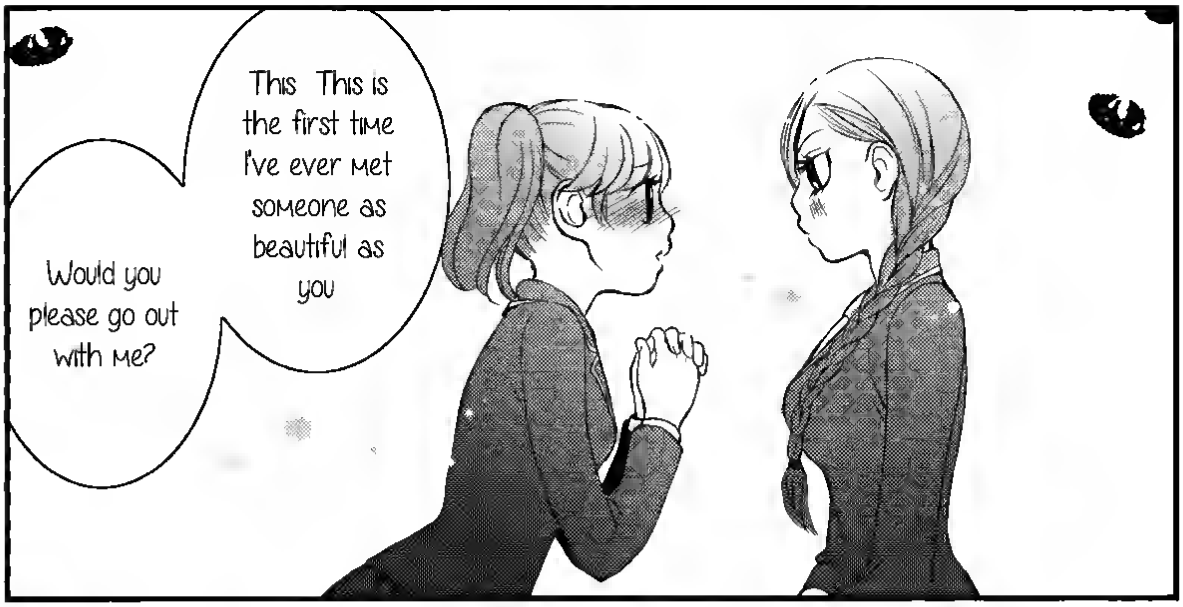
Meeting the Onee-sama

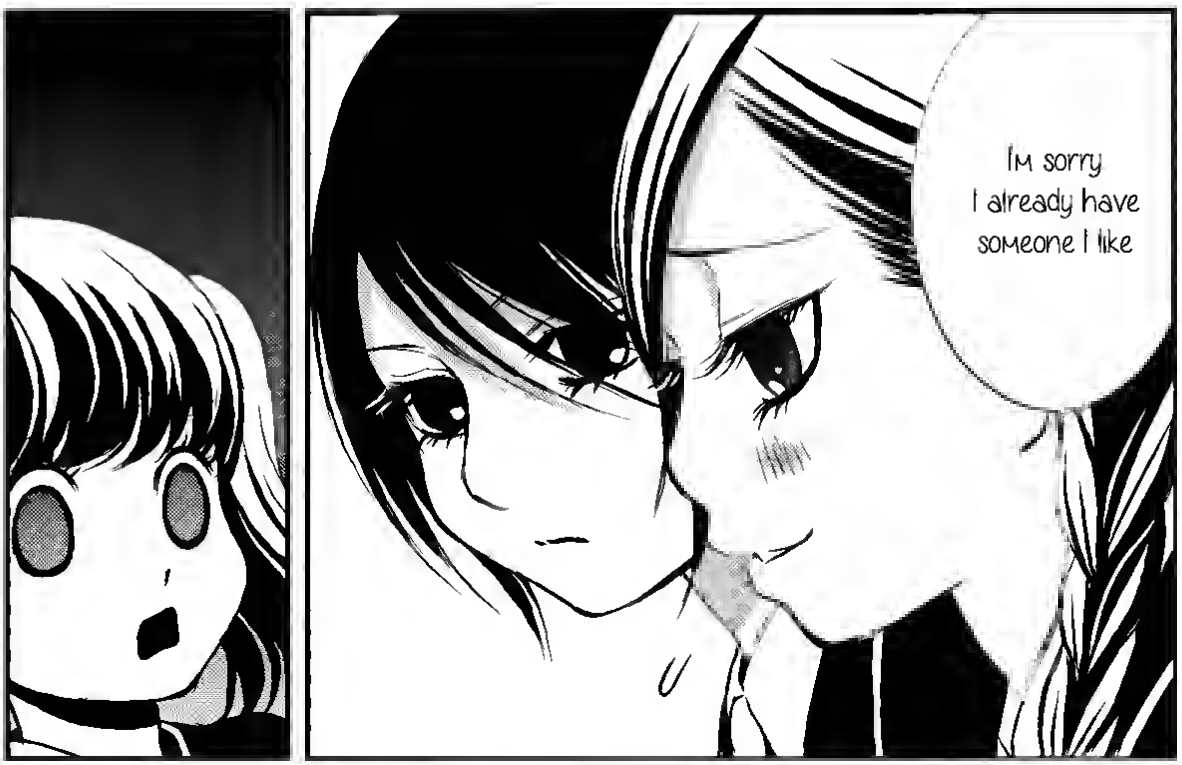






Immediately confessing





After school

Student council
They've been famous since their middle school grades
For our school they're the rare examples of a typical Ojou-sama and handsome tomboy
Reika-sama,
Oh, those two were probably from the student council
And Yuki-sama!
"I should think" she said...
Her Ojou-sama way of talking was actually a bit weird
But
But?
So high class and elegant!
Yes! An Ojou-sama!!
It's amazing you fell in love and confessed twice in one day
I can't believe I got rejected twice in the same day!!
Admi-rable.
Because my love went un-requited...
Uhuu
Ah, yeah, she. Uhm
By the way, why is Riri looking so depressed?
gloom

Why?

Boo!
I want a girlfriend!
Ahh! I'm so lonely! So lonely!
What about me?
Mumps again?
Why are you swelling up?
How do you see me, Riri-san?
Why are you feeling so sad when you have me as a friend?

Feeling lonely

It makes me really lonely
Girls will just get boyfriends and leave me for them...
It's fun to have a friend, but...
Sorry, I'm going home with my boyfriend.
The next day they get a boy-friend.
One day you're together all the time.
I think I know what she means...
Ah...
But... Instead of love, I...
I've reached an age where I can't stand still any-more...
An adult... What they mean is...
Why don't you get a boyfriend too, Aoi?
Become an adult
That lonely feeling.
...
And I'm left behind standing all alone.

Best friends

I won't ever fall in love,
I will always put Riri-san first!
I've changed my mind!
I got it
HAH!
Because Riri-san must have been even more lonely than I.
Yes!
Do... Do you really mean that?
Yes! I promise!
Do you really, really mean it?

Promise

It's because I've made such an amazing friend.
Is that so?
B-But that's weird! Aoi, you're weird!
Eeh?
School life was different from the Ojou-sama style I yearned for, but...
Something much more important happened and now my prospects are filled with fun.
My friend Riri-san will always be most important to me
I won't fall in love
Seeing Riri-san shine when she smiles makes me really happy.
It filled me with happiness.
It's a promise!
The pinky swear felt soft and warm.
